PERMIT TO OPERATE THE SOLID WASTE DISPOSAL SITE FOR MUNICIPAL AND INDUSTRIAL SOLID WASTE; Permit SW 13 097 04

On 12 November 1997, the Bureau of Federal Facilities published in the Las Vegas Review/Journal a Notice of Intent to issue the Solid Waste Disposal Permit **SW 13 097 04**. Notices were also sent to interested persons on the division's mailing list. Copies of the application were available to the public in DOE's public reading room and also in the division's Las Vegas office. The minimum 30 day period for public participation expired on 12 December 1997. As neither written nor oral comments were received, the period for public participation was closed at 5:00 P.M., 12 November 1997.

Permit SW 13 097 04 was signed and made effective on the 12th day of November, 1997. A copy of the permit with original signature is enclosed.

The interim authorization granted pursuant to NAC 444. 6405.5 is hereby revoked, pursuant to Nac 444.6405.7, to wit, issuance of a permit for the site. All prior authorizations and agreements are superseded by the intent and content of the permit.
