re: Brownfields Funding Application for Belaustegui Park Project

Dear Mr. Kelley,

The Nevada Division of Environmental Protection (NDEP) has received a copy of your application for funding through the Brownfields Program for the Belaustegui Park Project located at 345 E Front Street in Battle Mountain, Lander County. We are pleased to announce the approval of the application and the awarding of funding for the project. Funding will be provided in the form of services of one of the State's Brownfields contractors.

Based on their familiarity with the project, the NDEP has selected Kleinfelder, Inc. to undertake this cleanup project. We will schedule a meeting or conference call in the near future with yourself and a representative of Kleinfelder in order to develop a scope of work for the project. The scope of work shall include any cleanup and community outreach/coordination efforts which may be necessary.

If you have any questions at any time during the Brownfields cleanup process, please feel free to contact me at (775) 687-9384. I look forward to working with you on this exciting project.

Sincerely,

Scott Smale
Bureau of Corrective Actions
