re: **Approval for Brownfields Cleanup for "Gabbs Recreation Center"**

Dear Dr. Marble,

The Nevada Division of Environmental Protection has received and reviewed your application for assistance with the cleanup of the "Gabbs Recreation Hall, 531 Avenue E, Gabbs, NV 89409." We are pleased to announce that your project has been approved for funding. As you may know, the form of project funding will come through the services of one of our Brownfields environmental contractors. We have selected AMEC as the project contractor.

I will contact you early January 2007 to set up a site visit with the contractor and NDEP.

If you have any questions at any time during the project, please feel free to contact me at (775) 687-9379. We look forward to working with you on this important community project.

Sincerely,

Lisa Johnson, CEM, CHMM
