EXPERIENCE

Describe any experience obtained relating to environmental management activities. Use as many employers as necessary. Environmental management activities have been defined as (NAC 459.9704):

- 1) Management of RCRA hazardous waste;
- 2) Investigation of a site to determine the release, or potential release, of a hazardous substance (waste, material, or regulated substance);
- 3) Sampling of air, soil, surface water or groundwater to determine the release of a hazardous substance;
- 4) Response to a release of a hazardous substance;
- 5) Cleanup of a release of a hazardous substance; or,
- 6) Remediation of water or soil contaminated by a hazardous substance.

Applicants using a **bachelor's degree, advanced degree, or professional registration** for experience credit must show **3 years additional experience within the last 5 years** (per NAC 459.972, part 3a and 3b).

Applicants **not using** a bachelor's degree, advanced degree, or professional registration for experience credit must show an equivalent combination of appropriate education or experience (per NAC 459.972, part 3c).

A minimum of 3 years experience must have been within the last 5 years to be considered equivalent.

Describe and list percentage of any relevant environmental experience. Begin with the most recent experience obtained. Fill out thoroughly to ensure maximum credit is awarded. Please see example on website for sample application. Use additional sheets if necessary. (NAC 459.972, Part 3a,b,c)
