**NDEP Facility ID #H-000530**

RE: NVE e-mail request concerning the September 9, 2005 *Corrective Action Plan* (CAP) for Pond 4A  
Dated: November 20, 2008

Dear Mr. Hawman:

On October 5, 2005, NDEP approved the above-identified CAP with comments. To date, this CAP has only been partially implemented. NVE has requested to discontinue implementation of the remaining work proposed in this CAP and address the remaining groundwater, soil, and solids characterization and remediation work associated with Pond 4A as part of the site-wide Scope of Work attached to the February 22, 2008 Administrative Order on Consent (AOC) between NDEP and NVE. As discussed during a September 24, 2008 meeting between NDEP and NVE, NDEP concurs with this request. The next scheduled update of AOC Scope of Work schedule should include all remaining activities associated with Pond 4A.

Please contact the undersigned with any questions or comments about this letter at (702) 486-2850 ext 240 or [sharbour@ndep.nv.gov](mailto:sharbour@ndep.nv.gov).

Sincerely,

Shannon Harbour, P.E.
