Attachment A

1. Page 4, Summary of Analytical Results: The first paragraph refers to the 2013 Annual Sampling Record, located in the Tables section of the report. An Annual Sample Record Table could not be located in the Tables section. Please include this table in future submittals.
2. Tables, General Comment: In future reports Table 1 should have unique page numbers (for ex.: 1 of 14) or name the tables for specific areas (ex.: Table 1A, Table 1B, etc.) It is currently very confusing to have a majority of the table to be called Table 1.
3. Tables, Table 2: Please note that there is no Table 2 in this report. There is a Table 1A and a Table 3. If there is a Table 2, please provide it under separate cover.
