Nevada Division of Environmental Protection (NDEP) Review of:  
*Draft General Health and Safety Plan*, Dated: December 2014

Dear Mr. Rojo:

The NDEP has received and reviewed NVE's *Draft General Health and Safety Plan* (HSP). The HSP was received by NDEP on December 30, 2014. The subject HSP summarizes the project organization and responsibilities, and establishes standard operating procedures for accident and injury prevention, identifies health and safety training requirements, describes the medical surveillance program and accident recordkeeping, and establishes a schedule for safety inspections. This HSP is an update of the 2008 *General Health and Safety Plan* to update safety requirements at the Reid Gardner Station.

According to Section 3.1.4 of Appendix B of the Administrative Order on Consent, the NDEP may review the Health and Safety Plan and offer comments, but NDEP approval of the HSP is not required. The NDEP has no comments on the Draft Health and Safety Plan.

Please contact the undersigned with any questions or comments about this letter at (775) 687-9396 or [aoakley@ndep.nv.gov](mailto:aoakley@ndep.nv.gov)

Sincerely,

Alison Oakley, CEM
