RE: Revisions to Groundwater Protection Evaluation Plan, Jungo Disposal Site

Dear Mr. Taylor:

Enclosed, please find a revised Groundwater Protection Evaluation Plan for the Jungo Disposal Site. The minor revisions reflected in this plan are:

- The addition of Appendix A, which provides an outline of the contents of the Landfill Performance Review Report , and
- Revision to Sec. 4.0 of the Groundwater Protection Evaluation Plan to reflect and incorporate the addition of Appendix A.

In addition, Section 2.3.4.1 of the Report of Design was revised to incorporate the settlement monitoring program as part of the Landfill Performance Review as referenced in the Groundwater Protection Evaluation Plan. These changes are reflected in the revised text that was submitted to you under separate cover on July 29, 2011.

Thank you for your time and attention to this project. Please contact me at (415) 875-1245 if you have any comments or questions.

Sincerely,
