DEACTIVATION OF EPA IDENTIFICATION NUMBERS

To deactivate your EPA Identification Number (ID#) you must submit a letter to the Nevada Division of Environmental Protection. The letter must be written on company letterhead paper and include the following information:

- (1) The name of the facility;
- (2) The site address (not mailing address) of the facility;
- (3) The EPA ID# associated with the site;
- (4) A statement indicating that you wish to deactivate the ID#;
- (5) The reason for the deactivation request (i.e., hazardous waste is no longer generated at the site, the business has moved to a new location, etc.);
- (6) The approximate date that the generator status changed from a generator to a non-generator (i.e., the date the business moved, closed or stopped generating).
- (7) An original signature of the owner or operator.

Please send your deactivation letter to the Nevada Division of Environmental Protection, Bureau of Waste Management, 901 S. Stewart St., Suite 4001, Carson City, NV, 89701-5249.

Questions regarding this letter may be directed to the Nevada Division of Environmental Protection, (775) 687-9481. Additional information regarding Division programs is available on the Internet at:
