

**Notice of Intent for Storm Water Discharges from a  
Small Municipal Separate Storm Sewer System under a  
National Pollutant Discharge Elimination System General Permit**

Submission of this Notice of Intent (NOI) constitutes notice that the party identified in Section I of this form intends to be authorized by a National Pollutant Discharge Elimination System (NPDES) permit to accept, pass through and discharge stormwater from Small Municipal Separate Storm Sewer Systems (MS4s) in Nevada. Submission of this NOI also constitutes notice that the party identified in Section I of this form meets the eligibility requirements in the Nevada General Permit NVS040000, understands that continued authorization to discharge is contingent on maintaining permit eligibility, and that implementation of the Stormwater Management Program (SWMP) required under Part IV of the general permit will begin at the time the Nevada Division of Environmental Protection (NDEP) receives the NOI and Filing Fee.

The Notice of Intent must be signed in accordance with Part VII.I of General Permit NVS040000 and must include the following information:
