

Project WET Workshop

**Carson Middle School—Room 5
1140 West King St, Carson City
Thursday, August 26th 8-5pm**

**DON'T MISS YOUR OPPORTUNITY!
No cost to register!
All educators invited to attend.**

**NV Department of Education
PDE credit to participants who
complete this workshop.**

Project WET (Water Education for Teachers) is a water education program that is taught in all subjects to K-12 students by educators worldwide.

Teaching students about water resources and water use is pertinent to ensure the quality of Nevada's future.

A Carson River Basin and Watershed focus

Carson River history Wetlands
Groundwater Surface water Urban runoff

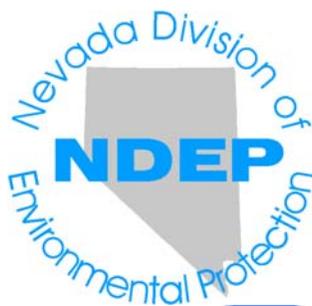

Receive a Project WET Curriculum & Activity Guide

Use lesson plans from the Guide to enhance your teaching. Activities that can be performed prior to, and after, the Make A Splash festival will be emphasized.

Project WET makes water education easy for teachers and meaningful to students in any subject.

**Registration deadline August 16th.
