Leo M. Drozdoff, P.E., Administrator

NOTICE OF PROPOSED ACTION

Web Posting Date: 12/17/08

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes. The Administrator has received an application for a water pollution control discharge permit [NEV2008502](#) from the following applicant:

**Old Sawmill Industrial Park
1170 Sawmill Road
Gardnerville, Douglas County, Nevada**

The Permittee proposes to operate the Old Sawmill Industrial Park, which is located in Gardnerville, Douglas County, Nevada. If authorized, this facility would produce up to 4,500 gpd (gallons per day) of tertiary grade effluent from its proposed SANTEC™ WWTP. This permit authorizes the treated effluent to be discharged from the plant via sub-surface leach fields. The approval would be granted for treatment of domestic sewage only; there would be no discharge of any type of industrial wastewater.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes, as amended, and implementing regulations, the Administrator proposes to issue permit, [NEV2008502](#), to discharge for a five (5) year period, subject to effluent limitations.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance, or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request, in writing, within thirty (30) days of the date of newspaper publication, closing at 5:00 P.M. on [January 23rd, 2009](#), either in person or by mail to:

**Department of Conservation and Natural Resources
Division of Environmental Protection
Bureau of Water Pollution Control
901 South Stewart Street Suite 4001
Carson City, Nevada 89701**

The request must be filed within the comment period and must indicate the interest of the person filing the request and the reasons why a hearing is warranted. All comments or objections received within the thirty (30) day period will be considered in the formulation of final determinations regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty (30) days prior to the hearing date.
