Notice of Proposed Action

June 20, 2008

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes.

The Administrator has received a complete application for renewal of water pollution control discharge permit #NEV97004 from the following applicant:

ArrowCreek Country Club
2905 ArrowCreek Parkway
Reno, Nevada 89511

The two eighteen hole ArrowCreek Country Club golf courses located in southwest Reno, Nevada are supplied with tertiary treated, denitrified and disinfected effluent by the South Truckee Meadows Water Reclamation Facility (NEV40024) for use in spray irrigation (reuse) of golf course turf grasses and plant materials. All irrigation reuse is in accordance with terms and conditions established in the permit and the approved Effluent Management Plan which is required by the Nevada Division of Environmental Protection. The proposed permit is for a period of (5) five years.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes (NRS) and implementing regulations, the Administrator proposes to issue a permit to discharge, subject to certain effluent limitations and special conditions.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control should submit their comments or request, in writing, within thirty (30) days of newspaper publication by July 23, 2008 either in person, by mail or FAX to:

Department of Conservation and Natural Resources
Division of Environmental Protection
Bureau of Water Pollution Control
901 South Stewart Street, Suite 4001
Carson City, Nevada 89701

The request must be filed within the comment period and must indicate the interest of the person filing the request and the reasons why a hearing is warranted.

All comments or objections received within thirty (30) days will be considered in the formulation of final determinations regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty (30) days prior to the hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time.

The application, proposed permit, comments received, and other information are on file and may be copied or copies may be obtained by writing to the above address or by calling Icycl Mulligan of the Bureau of Water Pollution Control at 775.687.9432 or by FAX at 775.687.4684. Copies of the Fact Sheet and Public Notice may be viewed or printed from the NDEP website at <http://ndep.nv.gov/admin/public.htm>.

Please bring the foregoing notice to the attention of all persons whom you know would be interested in this matter.
