PUBLIC NOTICE OF PROPOSED ACTION

Web posting 3/8/10

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following Notice of Proposed Action under the Nevada Revised Statutes. The Administrator has received a complete application to renew a water pollution control effluent reuse discharge permit (NEV2004518) from the applicant:

Lakeview Golf Association, LLC
1471 Mt. Charleston Drive
Pahrump, Nevada 89048

The applicant has applied for a discharge permit to use tertiary treated, denitrified, and disinfected effluent for reuse irrigation at the Lakeview Golf Course located at 1471 Mt. Charleston Drive in Pahrump, Nevada. The applicant has been using effluent for irrigation of the golf course, but was included under the Utilities Inc. of Central Nevada discharge permit (NEV89063). Due to a change in ownership, Lakeview Golf Association, LLC is obtaining their own permit to reuse treated effluent for irrigation of the golf course. The treated effluent (reuse) water is supplied by Plant #3 of Utilities Inc. of Central Nevada. Reuse irrigation will be conducted in accordance with an approved Effluent Management Plan and the terms and conditions of their permit. Monitoring will be required. The permit will be renewed for a five (5) year period.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes (NRS), as amended and implementing regulations, the Administrator proposes to issue a permit to discharge, subject to certain effluent limitations and special conditions.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance, or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request, in writing, by **April 9, 2010**, within thirty (30) days of the date of newspaper publication, either by e-mail at krose@ndep.nv.gov, FAX (775) 687-4684, in person or by mail to:
