Colleen Cripps, Ph.D., Administrator

NOTICE OF PROPOSED ACTION

Web posting 1/19/11

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes. The Administrator has received an application for issuance of two discharge permits, NEV2011503 and NEV2011504 from the following applicant:

**Q&D Construction
1050 S. 21st Street
Sparks, NV 89431**

Q&D Construction operates two truck fill facilities, dispensing tertiary treated, denitrified and disinfected treated effluent for dust control and construction uses, at the site of Legends at Sparks Marina (Permit NEV2011503) and at the site of Golden Eagle Regional Park (Permit NEV2011504). Q&D Construction also uses the effluent at their construction sites in the Sparks area. All effluent is utilized under the control of Q&D Construction, and in accordance with Nevada Administrative Code 445A.274 through 280. Effluent is supplied by the Truckee Meadows Water Reclamation Facility. The Division has made the tentative determination to issue the proposed permits for a period of five (5) years.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance, or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request, in writing, within thirty (30) days of the date of newspaper publication, hand-delivered or postmarked no later than 5:00 P.M. on **February 21, 2011** either in person or by mail to:

**Department of Conservation and Natural Resources
Division of Environmental Protection
Bureau of Water Pollution Control
901 S. Stewart Street, Suite 4001
Carson City, NV 89701-5249**

Comments and/or hearing requests received via facsimile or e-mail before 5:00 P.M. **February 21, 2011** will also be accepted. All requests for hearings must indicate the interest of the person filing the request and the reason(s) why a hearing is warranted. All comments or objections received within the thirty (30) day comment period will be considered in the formulation of final determinations regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. The public notice of such hearings will be issued not less than thirty (30) days prior to the public hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations.

Additional comments and objections will be considered at that time.

The application, proposed permit, comments received, and other information are on file and may be copied or copies may be obtained by writing to the above address or by contacting Janine Hartley, P.E., Bureau of Water Pollution Control at (775) 687-9458, or at jhartley@ndep.nv.gov. The office facsimile number is (775) 687-4684. This notice and the Fact Sheet for this facility are also available on the NDEP website at www.ndep.nv.gov/admin/public.htm.

Please bring the foregoing notice to the attention of all persons whom you know would be interested in this matter.
