DIVISION OF ENVIRONMENTAL PROTECTION

Brian Sandoval, Governor

Leo M. Drozdoff, P.E., Director

Colleen Cripps, Ph.D., Administrator

## NOTICE OF PROPOSED ACTION - Bureau of Mining Regulation and Reclamation

**Web Posting: 11/29/2012**

**Deadline for Comments: 12/29/2012**

The Administrator of the Division of Environmental Protection gives notice that an application for a new Water Pollution Control Permit for the **Prunty Mine Project**, a mining facility, has been properly filed with the Division of Environmental Protection in Carson City. The applicant for Water Pollution Control Permit **NEV2011104** (Permit) is:

**Humboldt Mining Company Inc.  
P.O. Box 675784  
Rancho Santa Fe, California 92067**

The facility is located on private land in Elko County, within Sections 13, 14, 23, and 24, Township 44 North, Range 57 East, MDB&M, approximately 63 miles north of the town of Elko.

The project consists of an underground mining facility, designed to extract gold, with a maximum permitted production rate of 1,000 tons of ore per year for off-site processing. The facility is comprised of mine, stockpiles, waste rock disposal facilities, and evaporation pond. No beneficiation is permitted on-site and the use or storage of process chemicals is prohibited. Facilities are required to be designed, constructed, operated and closed without any discharge or release in excess of those standards established in regulation except for meteorological events which exceed the design storm event.

The Administrator is constrained to either issue the Permit or to deny the application. The Administrator has made the tentative decision to issue the Permit.

Persons wishing to comment upon the proposed Permit, to recommend terms and conditions for consideration of incorporation into the Permit, or who request a public hearing pursuant to Nevada Administrative Code (NAC) Chapter 445A, must submit their written comments, objections, or requests by hand delivery or US Postal Service, or by facsimile or e-mail transmittal (with the original to be received within five (5) days of transmittal date), no later than 5:00 PM on the 30<sup>th</sup> day following the date of publication of this notice (submittal end date December 29, 2012) to:

Division of Environmental Protection  
Bureau of Mining Regulation and Reclamation  
901 South Stewart Street, Suite 4001  
Carson City, Nevada 89701-5249

All comments, objections, or requests received during the public notice period will be considered in the final determination regarding the Permit. If the Division determines written comments or requests indicate a significant degree of public interest in this matter, the Administrator shall schedule a public hearing in accordance with the requirements of NAC 445A.405.

The draft Permit and all application documents are on file at the Division and are available for public inspection and copying pursuant to NRS 445A.665. For more information, contact Paul Eckert on (775) 687-9401 or visit the Bureau of Mining's website at <http://ndep.nv.gov/bmrr/bmrr01.htm> .
