## NOTICE OF PROPOSED ACTION

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes and/or the Clean Water Act, where applicable. The Administrator has received an application for a Groundwater Discharge, permit number NS0098008 from the following applicant:

NEVADA DEPARTMENT OF WILDLIFE  
1 LUX LANE  
YERINGTON, NV - 89447

### Permit NS0098008, FERNLEY WILDLIFE MANAGEMENT AREA:

The Nevada Department of Wildlife proposes to continue using secondary treated, disinfected effluent at the Fernley Wildlife Management Area (FWMA) for the support of waterfowl propagation and wetland preservation. FWMA encompasses approximately 8,300 acres and is located north of U.S. Alt Hwy 50, south of U.S. Interstate 80, approximately 5 miles east of the City of Fernley. The treated effluent, which meets reuse category D requirements, is supplied by the City of Fernley's East Wastewater Treatment Plant (NS0080011).

On the basis of preliminary review of the requirements of the Nevada Revised Statutes, as amended, and implementing regulations, the Administrator proposes to issue Permit NS0098008 to discharge for a five (5) year period, subject to certain effluent limitations.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance, or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request, in writing, within thirty (30) days of the date of newspaper publication, hand delivered or postmarked no later than 5:00 P.M. on 04/26/2013, either in person or by mail to:

Department of Conservation and Natural Resources  
Division of Environmental Protection  
Bureau of Water Pollution Control  
901 South Stewart Street, Suite 4001  
Carson City, NV 89701

The request must be filed within the comment period and must indicate the interest of the person filing the request and the reasons why a hearing is warranted. All comments or objections received within the thirty (30) day period will be considered in the formulation of final determination(s) regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty (30) days prior to the hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time.

The applications, proposed permits, comments received, and other information are on file and may be copied or copies may be obtained by writing to the above address or by contacting Arthur Marr III, Bureau of Water Pollution Control, at (775) 687-9432 or at [amarr@ndep.nv.gov](mailto:amarr@ndep.nv.gov).
