

## **NOTICE OF PROPOSED ACTION - Bureau of Mining Regulation and Reclamation**

**Web Posting: 08/13/2015**

**Deadline for Comment: 09/12/2015**

The Administrator of the Division of Environmental Protection (the Division) gives notice that an application for a renewal of a Water Pollution Control Permit for the **Lunker Hill Project**, a mining and beneficiation facility, has been properly filed with the Division of Environmental Protection in Carson City. The Applicant for renewal of Water Pollution Control Permit **NEV2003106** (Permit) is:

**Lunker Hill Project**  
**250 South Pacific Street, #106**  
**San Marcos, CA 92078**

The facility is located on private land in Section 1, Township 34 North, Range 34 East, Mount Diablo Baseline and Meridian, approximately 15 miles north-northwest of Mill City in Pershing County, Nevada.

The Project consists of a physical separation facility, pursuant to Nevada Administrative Code (NAC) 445A.414, designed to extract gold, with a maximum permitted processing rate of 36,500 tons per year. The facility is comprised of a trommel and sluice washing and recovery plant, water storage tanks, and settling ponds. Chemicals are not approved for use in the recovery process. Facilities are required to be designed, constructed, operated and closed without any discharge or release in excess of those standards established in regulation except for meteorological events which exceed the design storm event.

The Administrator is constrained to either issue the renewed Permit or to deny the application. The Administrator has made the tentative decision to issue the renewed Permit.

Persons wishing to comment upon the proposed Permit, to recommend terms and conditions for consideration of incorporation into the Permit, or who request a public hearing pursuant to NAC 445A, must submit their written comments, objections, or requests by hand delivery or US Postal Service, or by facsimile or e-mail transmittal, no later than 5:00 PM on the 30<sup>th</sup> day following the date of publication of this notice (submittal end date 12 September 2015) to:

Division of Environmental Protection  
Bureau of Mining Regulation and Reclamation  
901 South Stewart Street, Suite 4001  
Carson City, NV 89701-5249

All comments, objections, or requests received during the public notice period will be considered in the final determination regarding the Permit. If the Division determines written comments or requests indicate a significant degree of public interest in this matter, the Administrator shall schedule a public hearing in accordance with the requirements of NAC 445A.405.

The draft Permit and all application documents are on file at the Division and are available for public inspection and copying pursuant to Nevada Revised Statute 445A.665. For more information, contact Joe Sawyer at (775) 687-9406 or visit the Bureau of Mining Regulation and Reclamation website at <http://ndep.nv.gov/bmrr/bmrr01.htm>.
