NOTICE OF PROPOSED ACTION

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes and/or the Clean Water Act, where applicable. The Administrator has received an application for a Groundwater Discharge , permit number NS0090001 from the following applicant:

THE PRIMADONNA COMPANY, LLC
31900 S. LAS VEGAS BLVD.
PRIMM, NV - 89019

Permit NS0090001, PRIMM WASTEWATER TREATMENT PLANT:

The Primadonna Company, LLC (Primadonna) owns and operates an activated sludge/extended aeration package wastewater treatment plant. The plant is permitted to discharge up to 1.0 million gallons per day of treated, denitrified, and disinfected effluent in Primm, Clark County, Nevada. Facilities served by the treatment plant include three hotel/casinos, two service station/convenience stores, several restaurants, an outlet mall, employee housing, and a California Lottery Outlet. Treated effluent is typically discharged to a series of rapid infiltration basins for percolation/evaporation. The effluent may also be discharged to the Walter M. Higgins Generating Facility (NS2002500) for use as cooling tower/plant make-up water and to Primadonna's properties in Primm for landscape irrigation and construction/dust control activities.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes, as amended, and implementing regulations, the Administrator proposes to issue Permit NS0090001 to discharge for a five (5) year period, subject to certain effluent limitations.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance, or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request, in writing, within thirty (30) days of the date of newspaper publication, hand delivered or postmarked no later than 5:00 P.M. on 03/02/2015 , either in person or by mail to:

Department of Conservation and Natural Resources
Division of Environmental Protection
Bureau of Water Pollution Control
901 South Stewart Street, Suite 4001
Carson City, NV 89701

The request must be filed within the comment period and must indicate the interest of the person filing the request and the reasons why a hearing is warranted. All comments or objections received within the thirty (30) day period will be considered in the formulation of final determination(s) regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty (30) days prior to the hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations.

Additional comments and objections will be considered at that time.

The applications, proposed permits, comments received, and other information are on file and may be copied or copies may be obtained by writing to the above address or by contacting Peter Lassaline, Bureau of Water Pollution Control, at (775) 687-9569 or at plassaline@ndep.nv.gov. The office facsimile number is (775) 687-4684. For further information, the fact sheet for this project can be viewed at the following website: <http://ndep.nv.gov/admin/public.htm>.

Please bring the forgoing notice to the attention of all persons whom you know would be interested in this matter.
