The Administrator of the Division of Environmental Protection (the Division) gives notice that an application for renewal of a Water Pollution Control Permit for the **Goldwedge Project Rapid Infiltration Basins**, an infiltration facility, has been properly filed with the Division of Environmental Protection in Carson City. The Applicant for renewal of Water Pollution Control Permit **NEV2008101** (Permit) is:

The facility is located on public and private land in Nye County, within portions of Section 18, Township 8 North, Range 44 East, Mount Diablo Baseline and Meridian, approximately one-half mile west of the town of Manhattan.
