

NOTICE OF PROPOSED ACTION - Bureau of Mining Regulation and Reclamation

Web Posting: 04/28/2016

Deadline for Comment: 05/28/2016

The Administrator of the Division of Environmental Protection (the Division) gives notice that an application for a renewal of a Water Pollution Control Permit for the **Fencemaker Project**, an underground mining facility, has been properly filed with the Division of Environmental Protection in Carson City. The Applicant for renewal of Water Pollution Control Permit **NEV2009104** (Permit) is:

**First Liberty Power Corp.
7251 W Lake Mead Blvd; Unit 300
Las Vegas, NV 89128**

The facility is located on public land, administered by the Bureau of Land Management, Humboldt River Field Office, in Pershing County, Nevada, within a portion of Section 10, Township 26 North, Range 37 East, Mount Diablo Baseline and Meridian, approximately 49 miles southeast of the town of Lovelock.

The Project consists of an underground mining and temporary ore stockpile facility, pursuant to Nevada Administrative Code (NAC) 445A.414, designed to extract antimony ore, with a maximum permitted extraction rate of 36,500 tons of ore per year. The facility is comprised of an underground mine, surge pile, and loading area. No chemicals are to be used at any stage of the mining process. All ore and waste rock is transported off-site for separation, stockpiling, and/or processing at a separately permitted mill. Facilities are required to be designed, constructed, operated, and closed without any discharge or release in excess of those standards established in regulation except for meteorological events which exceed the design storm event.

The Administrator is constrained to either issue the renewed Permit or to deny the application. The Administrator has made the tentative decision to issue the renewed Permit.

Persons wishing to comment upon the proposed Permit, to recommend terms and conditions for consideration of incorporation into the Permit, or who request a public hearing pursuant to NAC 445A.403, must submit their written comments, objections, or requests by hand delivery or US Postal Service, or by facsimile or e-mail transmittal, no later than 5:00 PM on the 30th day following the date of publication of this notice (submittal end date 28 May 2016) to:

Division of Environmental Protection
Bureau of Mining Regulation and Reclamation
901 South Stewart Street, Suite 4001
Carson City, NV 89701-5249

All comments, objections, or requests received during the public notice period will be considered in the final determination regarding the Permit. If the Division determines written comments or requests indicate a significant degree of public interest in this matter, the Administrator shall schedule a public hearing in accordance with the requirements of NAC 445A.405.

The draft Permit and all application documents are on file at the Division and are available for public inspection and copying pursuant to Nevada Revised Statute 445A.665.
