

NOTICE OF PUBLIC COMMENT PERIOD BEGINNING JULY 13, 2016 AND A PUBLIC HEARING ON AUGUST 17, 2016, IF REQUESTED

Conducted by the Nevada Division of Environmental Protection
Bureau of Air Quality Planning

Pursuant to the public hearing requirements in Title 40 of the Code of Federal Regulations Part 51 section 102, the Nevada Division of Environmental Protection (NDEP) is issuing the following notice.

In 2003, the NDEP adopted and submitted a revision to the Nevada State Implementation Plan (SIP) requesting that Nevada's side of the Lake Tahoe Basin (Basin) be redesignated as attainment for the federal 8-hour carbon monoxide standard. The U.S. Environmental Protection Agency (USEPA) approved Nevada's 10-Year Limited Maintenance Plan and redesignated the Nevada side of the Basin attainment effective February 13, 2004. Section 175A of the Clean Air Act requires the initial maintenance plan to cover at least a ten-year period after redesignation, with a second plan revision due within eight years of redesignation to demonstrate that the area will maintain the standard for another ten years (i.e., a full 20 years from the date of redesignation to attainment, or February 2024 in this case). The NDEP submitted Nevada's second 10-Year Limited Maintenance Plan on April 3, 2012.

At USEPA's request, the NDEP has drafted a revision and supplement to the April 2012 submittal. This draft applies to the second ten-year period following redesignation, 2014-2024. The NDEP's draft and related materials are available on the NDEP website at <http://ndep.nv.gov/admin/public.htm>, click on "Air Quality Planning." Access to the draft plan update may also be obtained by contacting Adele Malone at NDEP, 901 S. Stewart Street, Suite 4001, Carson City, NV 89701; (775) 687-9356; or e-mail to amalone@ndep.nv.gov.

Persons wishing to comment on the proposed revisions to the second 10-Year Limited Maintenance Plan or to request a public hearing should submit their comments or request **in writing** either in person or by mail or fax to Adele Malone at the above address or by FAX at (775) 687-6396. **A request for a hearing must be received by August 9, 2016. Written comments will be received by the NDEP until 5:00 PM PDT, August 17, 2016 and will be retained and considered.**

Upon receipt of a valid written request, the NDEP will hold a public hearing in Carson City on:

**August 17, 2016
10:00 a.m. to 11:30 a.m.
Great Basin Conference Room, 4th Floor
901 South Stewart Street
Carson City, Nevada**

An agenda will be posted on the NDEP web site at least 3 working days before the hearing. Oral comments will be received at the hearing. If no request for a public hearing is received by August 9, 2016, the hearing will be cancelled. Persons may check on the status of the hearing on the NDEP web site at <http://ndep.nv.gov/admin/public.htm>, click on "Air Quality Planning," or you may call the NDEP Bureau of Air Quality Planning at (775) 687-9349.

This notice has been posted at the NDEP offices in Carson City and Las Vegas, at the State Library in Carson City, at the South Lake Tahoe Branch of the El Dorado County, CA, library, and County libraries throughout Nevada. Members of the public who are disabled and require special accommodations or assistance at the meeting are requested to notify Adele Malone or Patricia Bobo (775-687-9543) no later than 3 working days before the hearing.
