### **Permit NS2006510, TOANA VISTA GOLF COURSE:**

The Permittee, West Wendover Recreation District, has applied for the renewal of Permit NS2006510 for the Toana Vista Golf Course (Toana Vista). The facility is a 115-acre, 18-hole golf course located at 2319 Pueblo Boulevard in West Wendover, Nevada. Toana Vista reuses tertiary-treated, denitrified, and disinfected effluent for irrigation of turf grasses and landscaped areas and for non-irrigation, decorative pond features on the golf course. The effluent is supplied by the West Wendover Wastewater Treatment Plant - Permit NS0010019.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes, as amended, and implementing regulations, the Administrator proposes to issue Permit NS2006510 to discharge for a five (5) year period, subject to certain effluent limitations.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance, or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request, in writing, within thirty (30) days of the date of newspaper publication, hand delivered or postmarked no later than 5:00 P.M. on 04/04/2016 , either in person or by mail to:

Department of Conservation and Natural Resources  
Division of Environmental Protection  
Bureau of Water Pollution Control

The request must be filed within the comment period and must indicate the interest of the person filing the request and the reasons why a hearing is warranted. All comments or objections received within the thirty (30) day period will be considered in the formulation of final determination(s) regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty (30) days prior to the hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time.
