

**Employment Opportunity:
City of Brewer, Maine
Water Department Superintendent**

The City of Brewer is seeking a highly motivated, team-oriented individual to fill the position of Water Department Superintendent.

The successful candidate will possess strong managerial and administrative skills, a working knowledge of municipal government and enterprise account management. Candidates must know and be able to communicate federal and state regulations, as they pertain to water utility operations. The successful candidate will also have demonstrated the ability to prepare operational and CIP budgets, manage fund accounting operations, audit preparation, PUC reports, consumer consumption reports, and all required water quality samplings and reporting. Other duties of this position include: planning, organizing, and directing staff for distribution, treatment, metering, and administrative operations. Preference will be given to candidates who hold a Bachelor's Degree in Environmental Services, Public Health, Civil Engineering or a closely related field with a minimum of 5-years of supervisory experience.

Candidates should hold a valid Maine Grade III Treatment System License, Grade II Distribution System License from the State of Maine DHS Drinking Water Program or the ability to obtain these licenses within 1-year of hire.

This is a full-time position offering a comprehensive package of competitive wages and benefits in one of the state's most dynamic and exciting communities. Cover letter and resume should be submitted by 5:00 p.m. September 2, 2011 to:

Stephen Bost, City Manager
