THANK YOU TO OUR SPONSORS

WORKSHOP TAKE-AWAYS WILL INCLUDE:

Engaging, hands-on lessons for your K-8 students.

An overview of the STEM movement and how you can integrate *Science, Technology, Engineering and Math* into your already full schedule.

Materials and resources to use in your classroom.

An opportunity to expand your own knowledge and level of comfort with STEM concepts.

- Dates: Fridays, Oct. 15th, Nov. 19th, Dec. 3rd and Jan. 7th
Time: 4:30-9:00 p.m. (A short break will be provided for dinner.)
Location: Sierra Nevada Journeys, 1301 Cordone Ave., Reno
NV CEU's available: 1 credit (.5 credit will be available if only 3 sessions are attended, however the first class is mandatory for credit registration)
Cost: Free (register early-only 30 seats available)
