Subject: Request for Extension for the Schedule and Installation of Sub-Slab Depressurization Systems

Facility: Al Phillips the Cleaner (former)
3661 S. Maryland Parkway
Las Vegas, Nevada
Facility ID: **H-000086**

Dear Messrs. Kishner, Swickard, Levy and Oberman:

The Nevada Division of Environmental Protection (NDEP) has received and reviewed the "Request for Extension for the Schedule and Installation of Sub-Slab Depressurization Systems," dated October 11, 2012. The submittal requests an extension until October 19, 2012 to submit the schedule, and requests that the schedule for installation of the mitigation systems be postponed pending discussions with mitigation contractors.

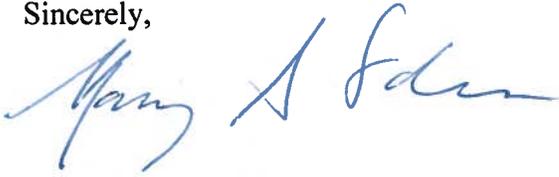

The NDEP concurs with the revised due date of October 19, 2012 for submittal of a schedule for the home mitigation work. The NDEP also provides an extension for installation of the mitigation systems in the three qualifying homes, pending your discussions with the contractor. By October 31, 2012, please provide a firm date by which the systems will be installed.

If you have any questions or require additional information regarding this letter, contact me by telephone at (775) 687-9496 or e-mail at msiders@ndep.nv.gov.
