

## Thomas Burt is a member of the Washoe Tribe of Nevada and California and is also affiliated with the Tule River Band of Yokut Indians from California.

Mr. Burt received his high school education in Arizona and he graduated with his high school equivalency from Phoenix College in 2001. Thomas continued with his post-secondary education pursuing a degree in Business at Phoenix College prior to relocating to Nevada. Thomas continues his educational endeavor at Truckee Meadows Community College pursuing a degree in Business Management.

Mr. Burt has diverse experience working in the public and private sector in various administrative positions in Arizona and Nevada. He previously worked for State of Arizona Department of Human Resources as a Information Processing Technician II and as a Vital Records Technician for the Department of Health in Phoenix.

He has worked for several agencies in Nevada as a customer service representative, data entry, and as a health service representative. He brings a wealth of experience to support the Tribal Liaison office; including his computer software skills, data entry, and customer service skills. His role as an administrative assistant is to obtain knowledge and skills to further help the environment and tribes of Nevada. Mr. Burt's goal is to gain experience in the field of Environmental Protection and become a steward of the indigenous lands of Nevada.
