Notice of Intent (NOI) for Discharges under a Permit - NVR100000

EPA Region 9 is the permitting authority for NPDES permits for wastewater and stormwater discharges on Tribal lands in Arizona, California, Nevada and all Navajo Lands. [Please click here and visit EPA Region 9 website.](#)

Submission of this Electronic Notice of Intent constitutes notice that the Permittee identified in this request intends to be authorized by a permit issued by the State of Nevada and has or will comply with the following:

1. The Permittee has a copy of the Permit, Select the link below to [print a copy of the permit](#) for your records: [Stormwater Construction General Permit](#)
2. The Permittee will comply with all applicable permit conditions,
3. The Permittee understands that implementation of any Pollution Prevention Plan or Best Management Plan (BMP), will begin at the time the permittee commences work on the project,
4. The Permittee understands that failure to submit the required fee and the original signed Certification Page within 30 days of this electronic submittal will result in failure for eligible coverage under a General Permit. The Certification Page must be printed at the end of this process; and
5. That [Nevada Administrative Code \(NAC\) 445A](#), requires that a Permittee (discharger) who is covered under a general permit shall pay to the Director/Division an annual services fee on or before July 1 of each year that the discharger is covered under that permit.
6. To Terminate coverage of a General Permit, the Permittee must submit a Notice of Termination ("NOT") form when their facility no longer has any discharges as defined in Nevada's General Permit or EPA regulations at [40 CFR 122.26](#), or when they are no longer the operator of the site.

*** If this is a Renewal Application, NO filing fee is required.**

By submitting this No Exposure Certification, the Owner or Operator of the project is aware that under the Phase II Final Rule, the no exposure exclusion is conditional and not an outright exemption. Therefore, if there is a change in circumstances that cause an exposure of industrial activities or materials to storm water, the operator is required to comply immediately with the National Pollution Discharge Elimination System (NPDES) Storm Water Program, including applying for, obtaining, and meeting the requirements of the State of Nevada Stormwater General Permit.

This page will indicate that this is a renewal and NO filing fee is required.

If you qualify for a no exposure waiver, then you can apply for a waiver or apply for full permit coverage. If you decide to apply for full permit coverage, this screen appears.
