re: **Approval for Brownfields Cleanup at the "Old White Pine County Landfill"**

Dear Mr. Johnson,

The Nevada Division of Environmental Protection has received and reviewed your application for assistance with the cleanup of the "Old White Pine County Landfill." We are pleased to announce that your project has been approved for funding. As you may know, the form of project funding will come through the services of one of our Brownfields environmental contractors. We have selected MACTEC Engineering and Consulting as the project contractor.

We hope to have an initial project scoping meeting between the NDEP, our environmental consultant, and representatives from your office sometime during the first weeks of November. A tentative date has been scheduled for November 8th on-site; we will attempt to confirm this date with your representatives.

If you have any questions at any time during the project, please feel free to contact me at (775) 687-9384. We look forward to working with you on this important community project.

Sincerely,

A handwritten signature in black ink, appearing to read "Scott Smale".

Scott Smale
