Tim Murphy
State of Nevada Brownfields Director
Carson City, Nevada 89706-0851

Dear Tim:

The township of Hawthorne, Nevada is requesting from the NDEP financial grant assistance in the cleanup of the former Hawthorne landfill. The funding will be utilized to provide a legal description survey. Security fencing and signage will be installed on the perimeter of the landfill site to control motorized and non-motorized access into the landfill area, deter additional dumping on the site and provide a safety buffer zone for the community's citizens.

Once completed Hawthorne has intentions of using BCRLF funds to cleanup the landfill to comply with NDEP and solid waste management regulations.

Sincerely,

Richard Bryant
Mineral County Commissioner
