APPLICATION CONDITIONS

Due to time limitations, we will be accepting application forms by fax or online only. Please send form by FAX: 1-703-684-2413 or 1-703-684-2492

All confirmed registrants will need to bring the *VSAT™wastewater* software to the training and comply with COPYRIGHT, DISCLAIMER, AND NOTICE TO USERS statements. The CD is free and may be ordered by visiting www.vsatusers.net. You will need a laptop computer for the training. If you do not have one, WEF has a limited number available for rental. Call 703/684-2400 x 7090 for details.

You will be notified within one week of receipt of this form if your application is approved. Limited travels scholarships are available to qualified trainers. Contact the number above for details. The Water Environment Federation supports the Americans with Disabilities Act, which promotes public accessibility for the disabled.

Confirmed registrants will receive course materials on-site as well as a pre-conference information package, including hotel information, that will be mailed to the address indicated on the application. Lunch and refreshments will be provided. **The workshop is offered at no cost**, but confirmed registrants who fail to cancel two days prior to the workshop and do not attend the workshop will be billed \$50.00 for lunch and refreshment costs.

A government-issued picture identification (e.g. driver's license) must be brought to the workshop and will be checked at registration. The name on the registration must match the name on the identification.

For questions or more information, please call WEF at 1-703-684-2400 extension 7090, or email to securityreg@wef.org.
