The Nevada Division of Environmental Protection (NDEP) is requesting public comment on a proposed action by the NDEP to issue a Permit to a facility for the land disposal of Construction and Demolition (C&D) Debris waste, consisting of material derived from the Demolition/Destruction/Removal of an abandoned trailer park in Battle Mountain Nevada. The proposed landfill is located approximately 6 miles southwest of Battle Mountain Nevada in Lander County; the facility is owned and operated by Newmont Mining Corporation (Newmont).

The Administrator, Nevada Division of Environmental Protection, Carson City, Nevada, is issuing the following notice of proposed action under the Nevada Administrative Code 444.570 through 444.7499, and under the Nevada Revised Statutes 444.440 through 444.620, inclusive. The Administrator has received a complete application to construct and operate a Class III Disposal Site and is proposing to issue a Permit to the following applicant at the conclusion of the public comment period:

Newmont Mining Corporation

The NDEP proposes to issue a Permit for a Class III Disposal Site at:

Township/Range/Section: SE1/4 NE ¼ Section 5 T31N R44E, approximately 6 miles southwest of Battle Mountain, Nevada

The DRAFT PERMIT is based on the application received by NDEP from Newmont for the operation of a Class III solid waste management landfill. The DRAFT PERMIT authorizes the disposal of waste in a trench fill and capped landfill without groundwater monitoring or leachate collection.

The C&D Debris disposed at the landfill will originate from the destruction of an abandoned trailer park with no other waste permitted for disposal. Any residues or wastes that cannot be disposed onsite must be shipped to an off-site permitted treatment or disposal facility. At the time of closure, the DRAFT PERMIT requires Newmont to conduct post-closure care of the facility as required by the NDEP.

The Administrative Record, which includes the DRAFT PERMIT, Application and Fact Sheet, is available for public review by appointment between the hours of 8:00 AM and 5:00 PM, Monday through Friday at the NDEP offices at Division of Environmental Protection, 901 South Stewart Street, Suite 4001, Carson City, NV 89701-5249.
