Allen Biaggi, Director

Leo M. Drozdoff, P.E., Administrator

NOTICE OF PROPOSED ACTION

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes. The Administrator has received a complete application for the renewal of groundwater discharge permit NEV2001505 from the following applicant:

Naniwa Energy, LLC
2000 Westchester Avenue
Purchase, NY 10577

Naniwa Energy LLC operates the TRI Center Power Plant at the Tahoe-Reno Industrial Center, located at McCarran, Storey County, Nevada. Cooling tower blow-down water is discharged to the TRI-Center wastewater treatment plant effluent holding pond, which is utilized for irrigation purposes under permit NEV2000502. The facility is permitted for Daily Maximum flow of 238,000 gallons of cooling water, with a 30-Day Average discharge limit of 95,000 gallons per day. The Division has made the tentative determination to renew the groundwater discharge permit for a period of five (5) years, subject to certain effluent limitations.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance, or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request, in writing, within thirty (30) days of the date of newspaper publication, hand-delivered or postmarked no later than 5:00 P.M. on **September 25, 2006**, either in person or by mail to:

Department of Conservation and Natural Resources
Division of Environmental Protection
Bureau of Water Pollution Control
901 S. Stewart Street, Suite 4001
Carson City, NV 89701-5249

Comments and/or hearing requests received via facsimile or e-mail before 5:00 P.M. **September 25, 2006** will also be accepted. All requests for hearings must indicate the interest of the person filing the request and the reason(s) why a hearing is warranted. All comments or objections received within the thirty (30) day comment period will be considered in the formulation of final determinations regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. The public notice of such hearings will be issued not less than thirty (30) days prior to the public hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time.

The application, proposed permit, comments received, and other information are on file and may be copied or copies may be obtained by writing to the above address or by contacting
