

STATE OF NEVADA

Department of Conservation & Natural Resources

DIVISION OF ENVIRONMENTAL PROTECTION

Kenny C. Guinn, Governor

Allen Biaggi, Director

Leo M. Drozdoff, P.E., Administrator

NOTICE OF PROPOSED ACTION

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes. The Administrator has received a complete application for the renewal of groundwater discharge permit NEV 2001508 from the following applicant:

H₂O Environmental, Inc.
4035 Flossmoor Street, Suite A
Las Vegas, NV 89115

for a portable water treatment unit based at the following facility :

H₂O Environmental, Inc.
4035 Flossmoor Street
Las Vegas, NV 89115

The Applicant has applied for a renewal of permit NEV2001508 to operate a portable water treatment system for the removal of petroleum hydrocarbon contaminants, MTBE, BTEX, and VOCs. The system is designed for and limited to the treatment of groundwater impacted by leaking underground storage tanks (USTs), water used to rinse fuel storage tanks, water pumped from monitor wells, and other associated remediation site waters, etc. Treated water is used for dust suppression at the H₂O Environmental site, and may be used in dust suppression at remote client locations under separate client permit. This permit does not authorize the discharge of water as other than a dust palliative. All other treated water discharge must be covered under separate permits issued by NDEP.

Persons wishing to comment on or object to the proposed determinations by the Administrator regarding permit issuance, or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request, in writing, within thirty (30) days of the date of newspaper publication, hand-delivered or postmarked no later than 5:00 P.M. on **July 20, 2006**, either in person or by mail to:

Department of Conservation and Natural Resources
Division of Environmental Protection
Bureau of Water Pollution Control
901 S. Stewart Street, Suite 4001
Carson City, Nevada 89701

Comments and/or hearing requests received via facsimile or e-mail before 5:00 P.M. **July 20, 2006** will also be accepted. All requests for hearings must indicate the interest of the person filing the request and the reason(s) why a hearing is warranted. All comments or objections received within the thirty (30) day comment period will be considered in the formulation of final determinations regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. The public notice of such hearings will be issued not less than thirty (30) days prior to the public hearing date.

This Document is for Electronic Distribution

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time.

The application, proposed permit, comments received, and other information are on file and may be copied or copies may be obtained by writing to the above address or by contacting Janine Hartley, Bureau of Water Pollution Control at (775) 687-9458, or at jhartley@ndep.nv.gov. The office facsimile number is (775) 687-4684. This notice and the Fact Sheet for this facility are also available on the NDEP website at www.ndep.nv.gov/admin/public.htm.

Please bring the foregoing notice to the attention of all persons whom you know would be interested in this matter.
