DIVISION OF ENVIRONMENTAL PROTECTION

Kenny C. Guinn, Governor

Allen Biaggi, Director

Leo M. Drozdoff, P.E., Administrator

PUBLIC NOTICE

WEB POSTING DATE - 11/03/06

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes and the Clean Water Act. The Administrator has received a complete renewal application for National Pollutant Discharge Elimination System (NPDES) Permit No. NV0021512 from the following applicant:

Mr. Gasket, Incorporated
550 Mallory Way
Carson City, NV 89701

Mr. Gasket currently operates an air stripping system to remove hydrocarbon compounds from recovered groundwater in the vicinity of the manufacturing facility. The system discharges a maximum of 0.0432 MGD and the effluent has met design specifications and permit limitations. Treated groundwater is discharged to the Linear Ditch, ultimately leading to the Carson River. The proposed permit is for continued discharge to the Linear Ditch.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes and the Clean Water Act as amended, and implementing regulations, the Administrator proposes to reissue a NPDES permit for a five (5) year period, subject to certain limitations and special conditions.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance, or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request, in writing, within thirty (30) days of the date of newspaper publication, closing at 5:00 P.M. on December 7, 2006, either in person or by mail to:

Department of Conservation and Natural Resources
Division of Environmental Protection
Bureau of Water Pollution Control
901 S. Stewart Street, Suite 4001
Carson City, Nevada 89701

Comments and/or hearing requests received via facsimile or e-mail before 5:00 P.M. on December 7, 2006 will also be accepted. All requests for hearings must indicate the interest of the person filing the request and the reason(s) why a hearing is warranted. All comments or objections received within the thirty (30) comment period will be considered in the formulation of the final determinations regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing.

This Document is for Electronic Distribution

The public notice of such hearings will be issued not less than thirty (30) days prior to the public hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time.

The application, proposed permit, comments received, and other information are on file and may be copied, or copies may be obtained by writing to the above address or by contacting Janine Hartley at the Bureau of Water Pollution Control at 775.687.9458, or at jhartley@ndep.nv.gov. The office facsimile number is (775) 687-4684. This notice and the Fact Sheet for the above facility are also available on the NDEP website at www.ndep.nv.gov/admin/public.htm

Please bring the foregoing notice to the attention of all persons whom you know would be interested in this matter.
