Leo M. Drozdoff, P.E., Administrator

Notice of Intent

The Administrator of the Division of Environmental Protection gives notice that an application for a Reclamation Permit for an exploration project for the Southeast Pediment Exploration Project has been properly filed with the Division of Environmental Protection in Carson City. The applicant for Permit # 0267 is:

NewWest Gold USA, Inc.
250 South Rock Blvd., Suite 118
Reno, NV 89502

This project, is located within Humboldt County, and is in portion(s) of Section 5, T.36N, R.36E, and in portion(s) of Section 32, T.37N, R.36E, M.D.B. & M, approximately thirteen miles from the community of Winnemucca, Nevada. This exploration project will occur on private and public land with up to 24.56 acres of exploration related disturbance. Twenty acres of proposed disturbance on private land were previously authorized under Interim Reclamation Permit 0267.

The Administrator is constrained to issue the reclamation permit or to deny the application. The Administrator has made the tentative decision to issue the reclamation permit.

Persons wishing to submit written comments or information on the tentative decision must do so in writing no later than by 5 PM on October 25, 2007. Any person who is directly affected by the application for a permit may request, in writing, a public hearing on the application for a permit. The request must state the reason for the request and the issues to be raised at the hearing. This request must be submitted, in writing, no later than by 5 PM on October 25, 2007.
