Notice of Proposed Action

The Administrator of the Division of Environmental Protection gives notice that an application for a renewal of a Water Pollution Control Permit for the Gold Wedge Project has been properly filed with the Division of Environmental Protection in Carson City. The applicant for renewal of Water Pollution Control Permit NEV2002107 is:

Manhattan Mining Company
1 Main Street
Manhattan NV 89022

The Gold Wedge Project is located on public and private land in Nye County, within portions of Section 18, Township 8 North, Range 44 East, Mount Diablo Baseline and Meridian (MDB&M), approximately 39 miles (by air) northeast of the town of Tonopah and one half mile west (by air) of the town of Manhattan in Nye County, Nevada.

The Gold Wedge Project is an underground mine and physical separation facility (gravity separation). Chemicals are not permitted for use in the process. The facility is required to be designed, constructed, operated, and closed without any discharge or release in excess of those standards established in regulation except for meteorological events which exceed the design storm event.

The Administrator is constrained to either issue the renewal Water Pollution Control Permit or to deny the application. The Administrator has made the tentative decision to issue the renewal permit.

Persons wishing to comment upon the proposed Water Pollution Control Permit, to recommend terms and conditions for consideration of incorporation into the permit, or who request a public hearing pursuant to Nevada Administrative Code, NAC Chapter 445A, must submit their written comments, objections, or requests no later than 5:00 PM on the 30th day following the date of publication of this notice (publication date July 30, 2008) to:

Division of Environmental Protection
Bureau of Mining Regulation and Reclamation
901 South Stewart Street, Room 4001
Carson City, Nevada 89701-5249

All comments or objections received during the public notice period will be considered in the final determination regarding this Water Pollution Control Permit. If the Division determines written
