

# STATE OF NEVADA

Department of Conservation & Natural Resources

DIVISION OF ENVIRONMENTAL PROTECTION

*Jim Gibbons, Governor*

*Allen Biaggi, Director*

*Leo M. Drozdoff, P.E., Administrator*

## Notice of Proposed Action

The Administrator of the Division of Environmental Protection gives notice that an application for a new Water Pollution Control Permit for the Gold Wedge Project, Rapid Infiltration Basins (RIBs), has been properly filed with the Division of Environmental Protection in Carson City. The applicant for the new Water Pollution Control Permit NEV2008101 is:

Manhattan Mining Company  
1 Main Street  
Manhattan, NV 89022

The Gold Wedge Project is located on public and private land in Nye County, within portions of Section 18, Township 8 North, Range 44 East, Mount Diablo Baseline and Meridian (MDB&M), approximately 39 miles (by air) northeast of the town of Tonopah and one half mile west of the town of Manhattan in Nye County, Nevada.

The purpose of the Gold Wedge Project RIB is to manage and reintroduce dewatering water that meets the State's Profile I standards from the Gold Wedge underground mine into the local groundwater basin. Facilities are required to be designed, constructed, operated and closed without any discharge or release in excess of those standards established in the Permit or in regulation except for meteorological events which exceed the design storm event.

The Administrator is constrained to either issue the new Water Pollution Control Permit or to deny the application. The Administrator has made the tentative decision to issue the new permit.

Persons wishing to comment upon the proposed Water Pollution Control Permit, to recommend terms and conditions for consideration of incorporation into the permit, or who request a public hearing pursuant to Nevada Administrative Code, NAC Chapter 445A, must submit their written comments, objections, or requests no later than 5:00 PM on the 30<sup>th</sup> day following the date of publication of this notice (publication date October 30, 2008; end of comment period November 29, 2008) to:

Division of Environmental Protection  
Bureau of Mining Regulation and Reclamation  
901 South Stewart Street, Room 4001  
Carson City, Nevada 89701-5249

All comments or objections received during the public notice period will be considered in the final determination regarding this Water Pollution Control Permit. If the Division determines written comments or requests indicate a significant degree of public interest in this matter, the Administrator shall schedule a public hearing in accordance with the requirements of NAC 445A.405.

This Document is for Electronic Distribution

The draft Water Pollution Control Permit and all application documents are on file at the Division and are available for public inspection and copying pursuant to NRS 445A.665.
