

STATE OF NEVADA

Department of Conservation & Natural Resources

DIVISION OF ENVIRONMENTAL PROTECTION

Jim Gibbons, Governor

Allen Biaggi, Director

Leo M. Drozdoff, P.E., Administrator

NOTICE OF PROPOSED ACTION

Web posting 12/4/09

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes. The Administrator has received a complete application for the renewal for a Water Pollution Control effluent reuse discharge permit NEV2004517 from the following applicant:

**Kiley Golf LLC
5800 Kiley Links Dr
Sparks, NV 89436**

The Applicant has applied for a renewal of permit NEV2004517 to reuse tertiary treated denitrified disinfected effluent for reuse irrigation at The Links at Kiley Ranch located at 5800 Kiley Links Drive in Spanish Springs, in Northern Sparks, Nevada. The applicant currently utilizes the treated effluent for golf course irrigation on turf grass, landscaped areas, driving range, chipping green and the putting course. The treated effluent (reuse) water is supplied by Truckee Meadows Water Reclamation Facility (TMWRF) in Sparks. Reuse irrigation will be conducted in accordance with an approved Effluent Management Plan and terms and conditions of the permit. Monitoring will be required. The permit will be reissued for a five (5) year period.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes (NRS) as amended, and implementing regulations, the Administrator proposes to issue a permit to discharge, subject to certain effluent limitations and special conditions.

Persons wishing to comment on or object to the proposed determinations by the Administrator regarding permit issuance, or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request, in writing, within thirty (30) days of the date of newspaper publication, hand-delivered or postmarked no later than 5:00 P.M. on **January 7, 2010**, either in person or by mail to:

**Department of Conservation and Natural Resources
Division of Environmental Protection
Bureau of Water Pollution Control
901 South Stewart Street, Suite 4001
Carson City, Nevada 89701**

Comments and/or hearing requests received via facsimile or e-mail before 5:00 P.M. **January 7, 2010** will also be accepted. All requests for hearings must indicate the interest of the person filing the request and the reason(s) why a hearing is warranted. All comments or objections received within the thirty (30) day comment period will be considered in the formulation of final determinations regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. The public notice of such hearings will be issued not less than thirty (30) days prior to the public hearing date.

This Document is for Electronic Distribution

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time.

The application, proposed permit, comments received, and other information are on file and may be copied or copies may be obtained by writing to the above address or by contacting Kristen Rose, Bureau of Water Pollution Control at (775) 687-9440, or at krrose@ndep.nv.gov. The office facsimile number is (775) 687-4684. This notice and the Fact Sheet for this facility are also available on the NDEP website at www.ndep.nv.gov/admin/public.htm.

Please bring the foregoing notice to the attention of all persons whom you know would be interested in this matter.
