## NOTICE OF PROPOSED ACTION

Web posting 5/20/09

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes and the Clean Water Act. The Administrator has received a complete application to renew National Pollutant Discharge Elimination System (NPDES) Permit NV0021091 from the following applicant:

**Colorite Waterworks  
909 East Glendale Avenue  
Sparks, Nevada 89431**

Colorite Waterworks operates a garden hose manufacturing facility at 909 East Glendale Avenue in Sparks, Washoe County, Nevada. The proposed permit is for discharge of cooling water to the City of Sparks storm drain system, which discharges to the People's Ditch and ultimately to the Truckee River. The proposed permit term is for a five (5) year period. Based on a preliminary review of the application, the Division proposes to re-issue the permit for a period of five (5) years, subject to certain effluent limitations and special conditions.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding the issuance of the permit, or to request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request, in writing, within thirty (30) days of the date of newspaper publication, hand-delivered or postmarked no later than 5:00 P.M. on June 22, 2009, either in person or by mail to:

**Department of Conservation and Natural Resources  
Division of Environmental Protection  
Bureau of Water Pollution Control  
901 S. Stewart Street, Suite 4001  
Carson City, Nevada 89701**

Comments and/or hearing requests received via facsimile or e-mail before 5:00 P.M. June 22, 2009 will also be accepted. All requests for hearings must indicate the interest of the person filing the request and the reason(s) why a hearing is warranted. All comments or objections received within the thirty (30) day comment period will be considered in the formulation of final determinations regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. The public notice of such hearings will be issued not less than thirty (30) days prior to the public hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time.

The applications, proposed permits, comments received, and other information are on file and may be copied or copies may be obtained by writing to the above address or by contacting Janine Hartley, Bureau of Water Pollution Control at (775) 687-9458, or at [jhartley@ndep.nv.gov](mailto:jhartley@ndep.nv.gov).
