Notice of Proposed Action

Permit #NEV0000020

Queenstake Resources USA, Inc.

Jerritt Canyon Mine

The Administrator of the Division of Environmental Protection gives notice that an application for renewal of a Water Pollution Control Permit for the Jerritt Canyon Mine, a mining and beneficiation facility (with a satellite mining operation, the Starvation Canyon Mine), has been properly filed with the Division of Environmental Protection in Carson City. The applicant for the renewal of Water Pollution Control Permit NEV0000020 is:

Queenstake Resources USA, Inc.

Jerritt Canyon Mine

HC 31 Box 78

Elko, NV 89801

The facility is located on both public and private land in Elko County. The Jerritt Canyon Mine is located within Sections 1 through 36, Township 40 North, Range 53 East; Sections 22 through 36, T41N, R53E; Sections 19 through 22 and 27 through 34, T41N, R54E; Section(s) 3 through 9, T40N, R54E; Sections 1 through 16 and 19 through 22, T39N, R53E; Sections 1 through 6, T39N, R54E; Sections 7 and 18 Mount Diablo Baseline and Meridian (MDB&M), approximately 46 miles north of the town of Elko. The Starvation Canyon Mine is located within sections T39N, R52E; and Section 13, T39N, R52½E, MDB&M, approximately 49 miles northwest of the town of Elko.

The project consists of underground mining operations and a beneficiation facility utilizing chemicals, designed to extract gold, with a maximum permitted production rate of 3,000,000 tons of ore per year. The facility is comprised of mine, mill, heap leach pad, tailings impoundment, ore stockpile pad, ponds, wells and ancillary support facilities. Facilities are required to be designed, constructed, operated and closed without any discharge or release in excess of those standards established in regulation except for meteorological events which exceed the design storm event.

This Document is for Electronic Distribution

The Administrator is constrained to either issue the renewal Water Pollution Control Permit or to deny the application. The Administrator has made the tentative decision to issue the renewal permit.

Persons wishing to comment upon the proposed Water Pollution Control Permit, to recommend terms and conditions for consideration of incorporation into the permit, or who request a public hearing pursuant to Nevada Administrative Code (NAC) Chapter 445A, must submit their written comments, objections, or requests by hand delivery, United States Postal Service, facsimile, or e-mail no later than 5:00 PM on the 30th day following the date of publication (publication date: March 5, 2010; submittal deadline April 4, 2010) to:

Division of Environmental Protection
Bureau of Mining Regulation and Reclamation
901 South Stewart Street, Suite 4001
Carson City, Nevada 89701-5249

All comments, objections, or requests received during the public notice period will be considered in the final determination regarding this Water Pollution Control Permit. If the Division determines written comments or requests indicate a significant degree of public interest in this matter, the Administrator shall schedule a public hearing in accordance with the requirements of NAC 445A.405.

The draft Water Pollution Control Permit and all application documents are on file at the Division and are available for public inspection and copying pursuant to NRS 445A.665. For more information, contact Rob Kuczynski, P.E. at (775) 687-9441 or visit the Bureau of Mining Regulation and Reclamation website at <http://ndep.nv.gov/bmrr/bmrr01.htm>
