PUBLIC NOTICE OF PROPOSED ACTION

Web posting 2/8/10

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes. The Administrator has received a complete application for renewal of water pollution control discharge permit #NEV2000500 from the following applicant:

Lyon County Utilities District
Rolling "A" Water Reclamation Facility
P. O. Box 1699
Dayton, Nevada 89403

The applicant proposes to continue operation of 1.5 millions gallons per day advanced treatment plant that serves the municipal wastewater treatment needs of Dayton. The treated effluent from the activated sludge mechanical wastewater treatment plant is discharged to a series of rapid infiltration basins and to reuse irrigation sites (area golf course). The treatment plant is located south of U.S. Highway 50 and Ft. Churchill Road at 1165 Feretto Parkway, Dayton, Nevada. The proposed permit allows the continued operation of this treatment plant for a five year period.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes (NRS) as amended, and implementing regulations, the Administrator proposes to renew the permit to discharge, subject to certain effluent limitations and special conditions.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance, or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request, in writing, within thirty (30) days of the date of newspaper publication, by **March 15, 2010** either in person or by mail to:

DCNR, Division of Environmental Protection
Bureau of Water Pollution Control
901 South Stewart Street, Suite 4001
Carson City, Nevada 89701-5249

The request must be filed within the comment period and must indicate the interest of the person filing the request and the reasons why a hearing is warranted. All comments or objections received within the thirty (30) day period will be considered in the formulation of final determinations regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty (30) days prior to the hearing date.

This Document is for Electronic Distribution

The application, proposed permit, comments received, and other information are on file and may be copied or copies may be obtained by writing to the above address or by calling Joe Maez, Bureau of Water Pollution Control at 775.687.9431 or by FAX at 775 687-4684. If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Public Notice can be viewed or printed from the NDEP website at <http://ndep.nv.gov/admin/public.htm>.

Please bring the foregoing notice to the attention of all persons whom you know would be interested in this matter.
