Notice of Intent

Permit #0306

Eldorado Mining, Inc.

Lucklode Mine Project

The Administrator of the Division of Environmental Protection gives notice that an application for a Reclamation Permit for a mining operation for the Lucklode Mine project has been properly filed with the Division of Environmental Protection in Carson City. The applicant for Permit # 0306 is:

Eldorado Mining, Inc.
1941 Ottawa Drive
Las Vegas, NV 89169

This project, will be located within Clark County, and is in portion(s) of Sections 22 and 23, Township 28 South, Range 61 East, M.D.B., approximately 15 miles from the community of Searchlight, Nevada. The Lucklode Mine is an existing physical separation mine project that has not previously had a reclamation permit. The mine has been inactive since 2004. This reclamation permit allows reclamation of existing disturbance on public and private land and includes approximately 0.6 acres of new exploration related surface disturbance on patented (private) land.

The Administrator is constrained to issue the reclamation permit or to deny the application. The Administrator has made the tentative decision to issue the reclamation permit.

Persons wishing to submit written comments or information on the draft of the permit must do so in writing no later than by 5 PM on August 19, 2010. Any person who is directly affected by the application for a permit may request, in writing, a public hearing on the application for a permit. The request must state the reason for the request and the issues to be raised at the hearing. This request must be submitted, in writing, no later than by 5 PM on August 19, 2010.

Nevada Division of Environmental Protection
Bureau of Mining Regulation and Reclamation
901 S. Stewart St. Ste 4001
Carson City, NV 89701

All comments, objections or requests received during the public notice period will be considered in the final determination regarding this Reclamation Permit. If the Division determines written comments or requests are reasonable and indicate a significant degree of public interest in this matter, the Administrator shall schedule a public hearing in accordance with the requirements of NAC 519A.200. The Division will accept written comments in the form of facsimile, e-mail, or by mail. The comments may also be hand delivered.

The draft Reclamation Permit and all application documents are on file at the Division and are available for public inspection and copying pursuant to NRS Chapter 239.010.
