Murray Creek at Playground Looking upstream (left photo) and downstream (right photo)

11/07/2007

Murray Creek at Playground looking north. Creek is to the right by the trees.

Murray Creek by Playground looking north.

Draft

03/10/2008

Murray Creek by Playground looking north - notice playground has been removed (bare area to the right of the cable, Murray Creek is to the right by the trees).

Playground looking northeast - notice playground has been removed (bare area to the right of the cable, Murray Creek is to the right by the trees).

Gleason Creek location Map

11/17-18/2006

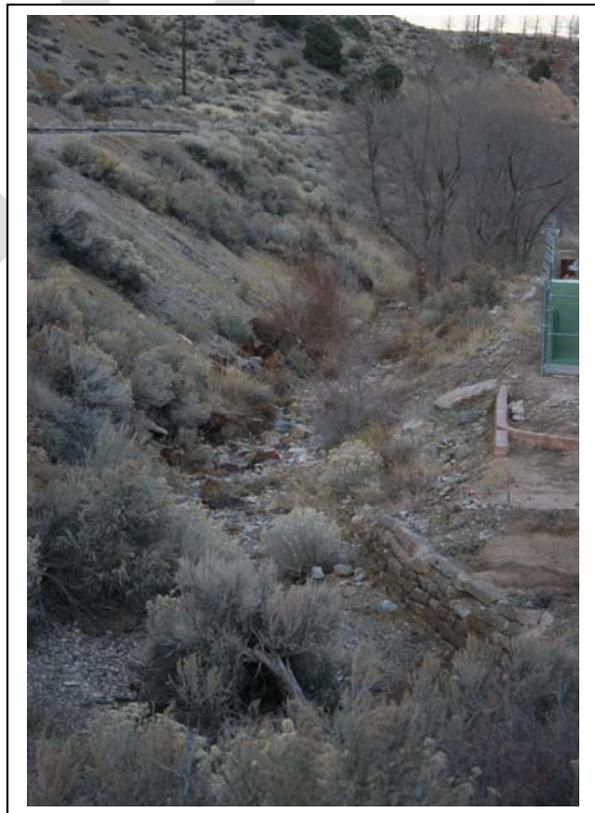

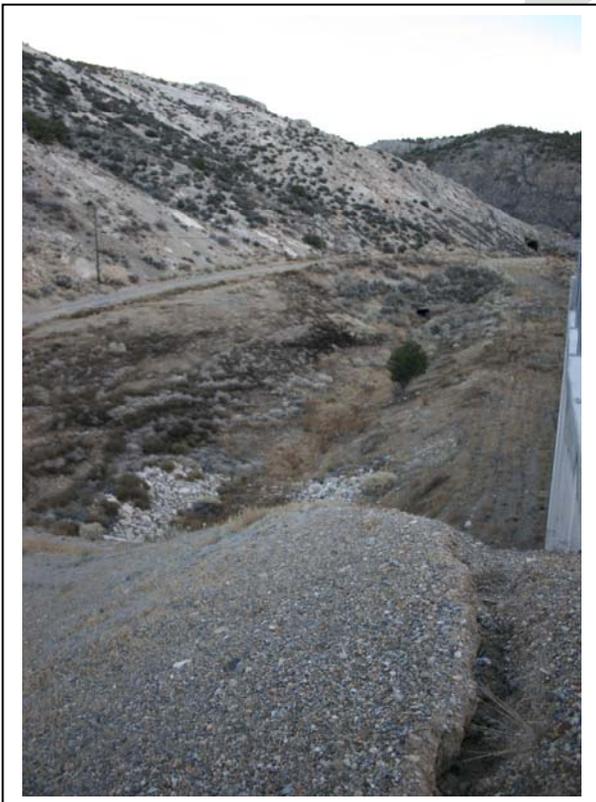

Gleason Creek at State Highway 44 (highway to Ruth) looking downstream.

Gleason Creek at Lane City Looking Upstream

Gleason Creek at Lane City looking downstream.

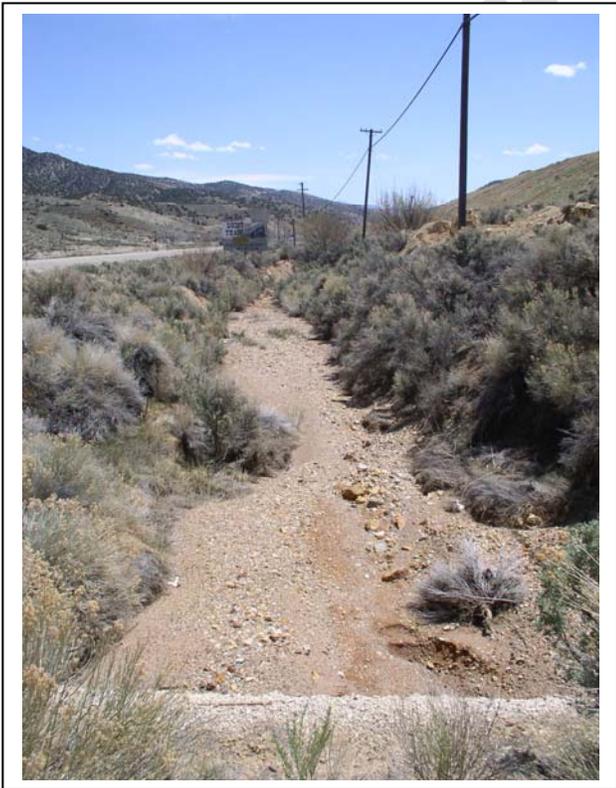

Gleason Creek at Railroad tunnel looking downstream (left Photo) and at Ely looking downstream (right photo)

05/02/2007

Gleason Creek at State Highway 44 (highway to Ruth) looking downstream (left photo) and at Lane City looking upstream (right photo)

Gleason Creek at Lane City looking downstream (left photo) and at Railroad Tunnel looking downstream (right photo).

04/22/08

Gleason Creek at State Highway 44 (highway to Ruth). looking downstream

Gleason Creek at Lane City looking upstream

Gleason Creek at Lane City looking downstream

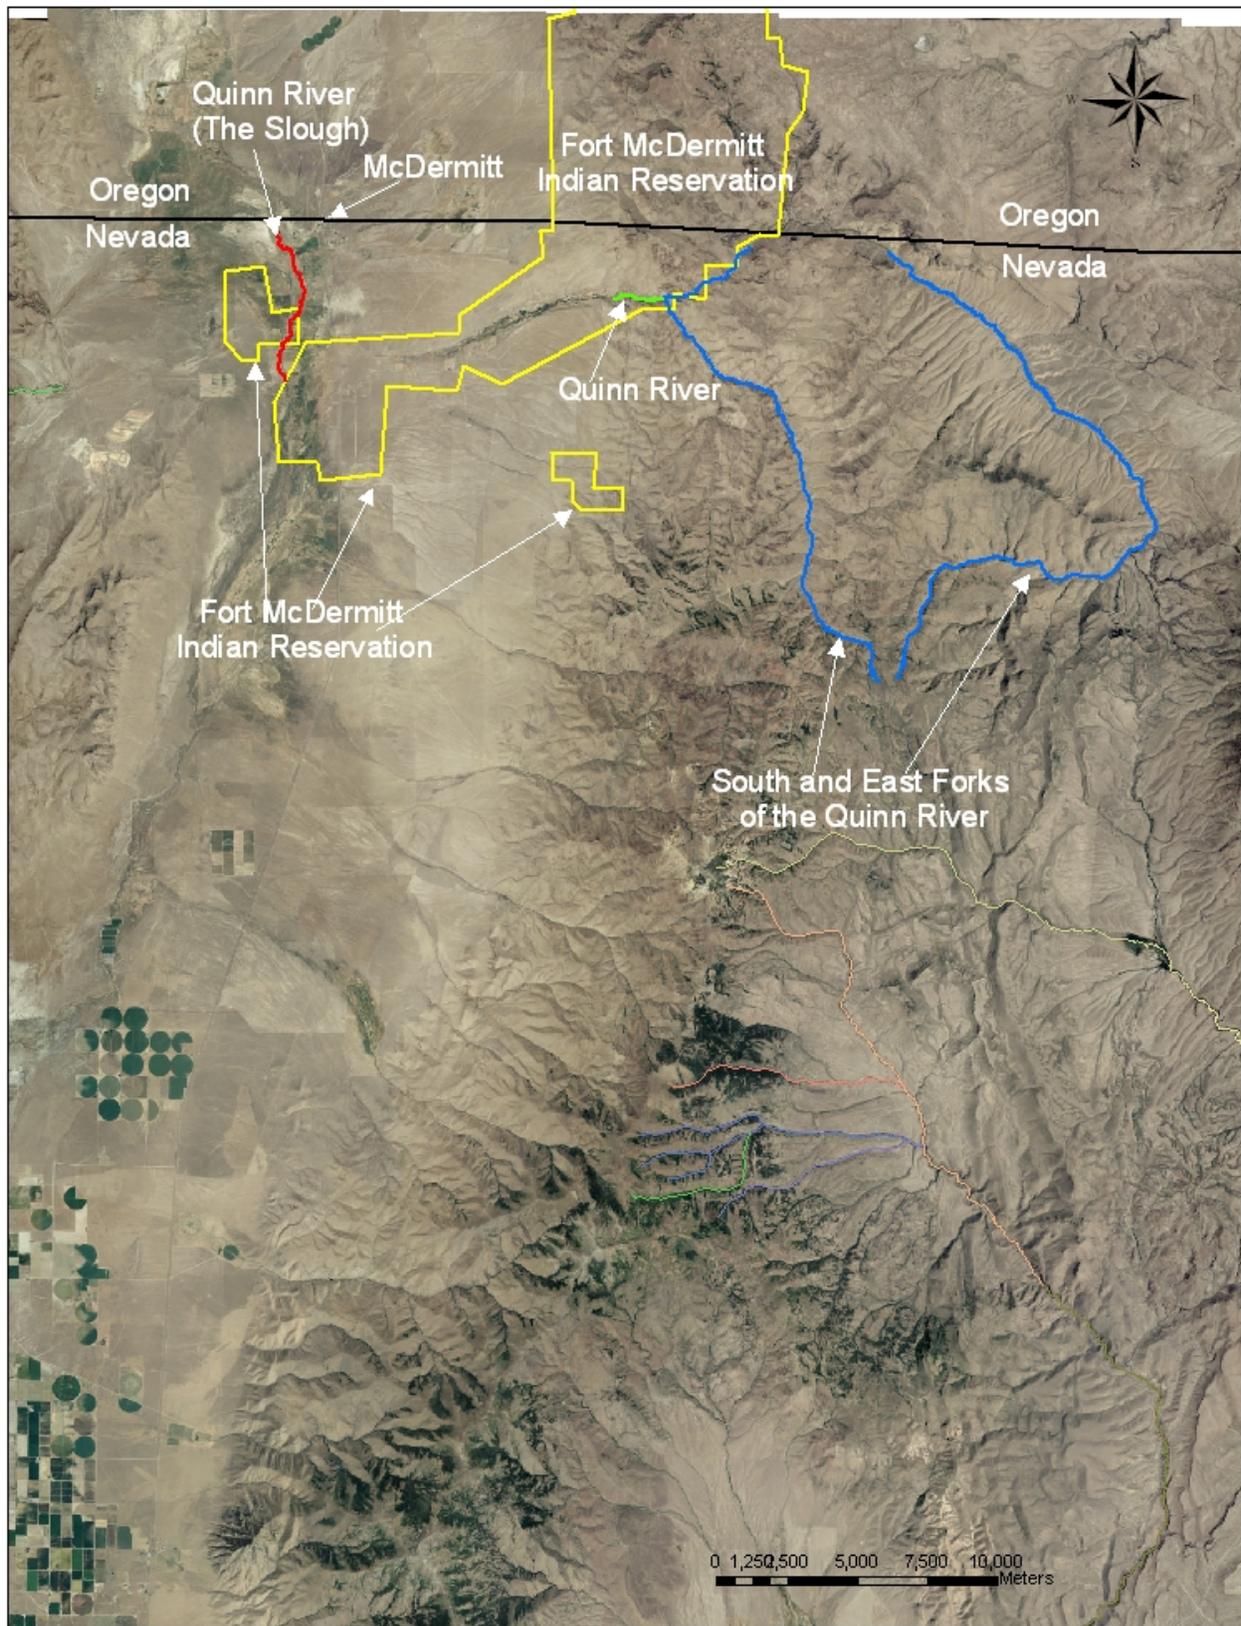

Gleason Creek at Lane City looking downstream

Gleason Creek at Ely

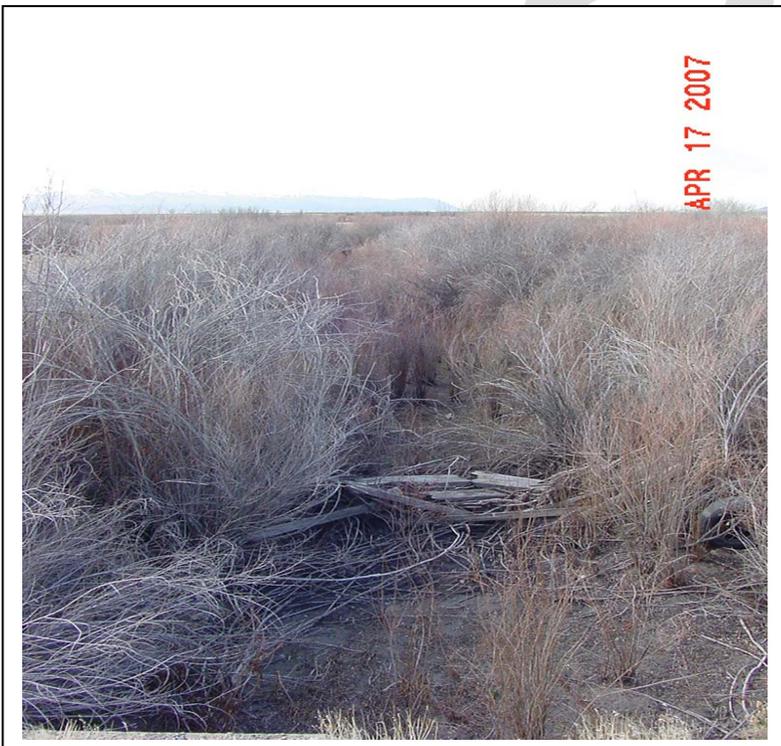

Quinn River (The Slough) Location Map

04/17/2007

Quinn River (The Slough) looking upstream

Quinn River (The Slough) looking downstream

03/05/08

Quinn River (The Slough) looking upstream

Quinn River (The Slough) looking downstream

04/23/08

Quinn River (The Slough) looking upstream (water was not flowing).

Quinn River (The Slough) looking downstream (water was not flowing).

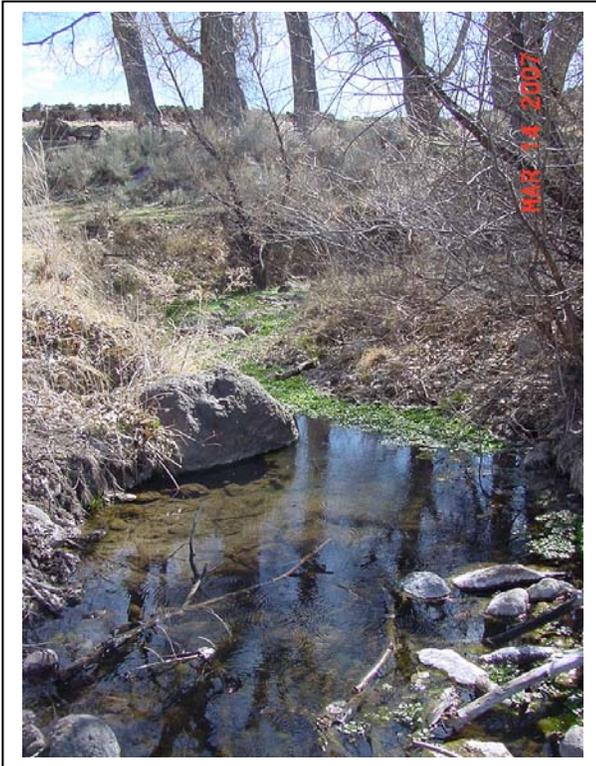

Quinn River (The Slough) - note rain showers in the area.

Lagomarsino Creek Location Map

03/14/2007

Lagomarsino Creek Near Historic Corral - both photos looking upstream

Overview of Lagomarsino Canyon

Lagomarsino Canyon near Lousetown Creek

07/26/07

Lagomarsino Creek at Corral looking upstream

Lagomarsino Canyon near Lousetown Creek looking upstream

Lagomarsino Creek between the Corral and Lousetown Creek looking upstream

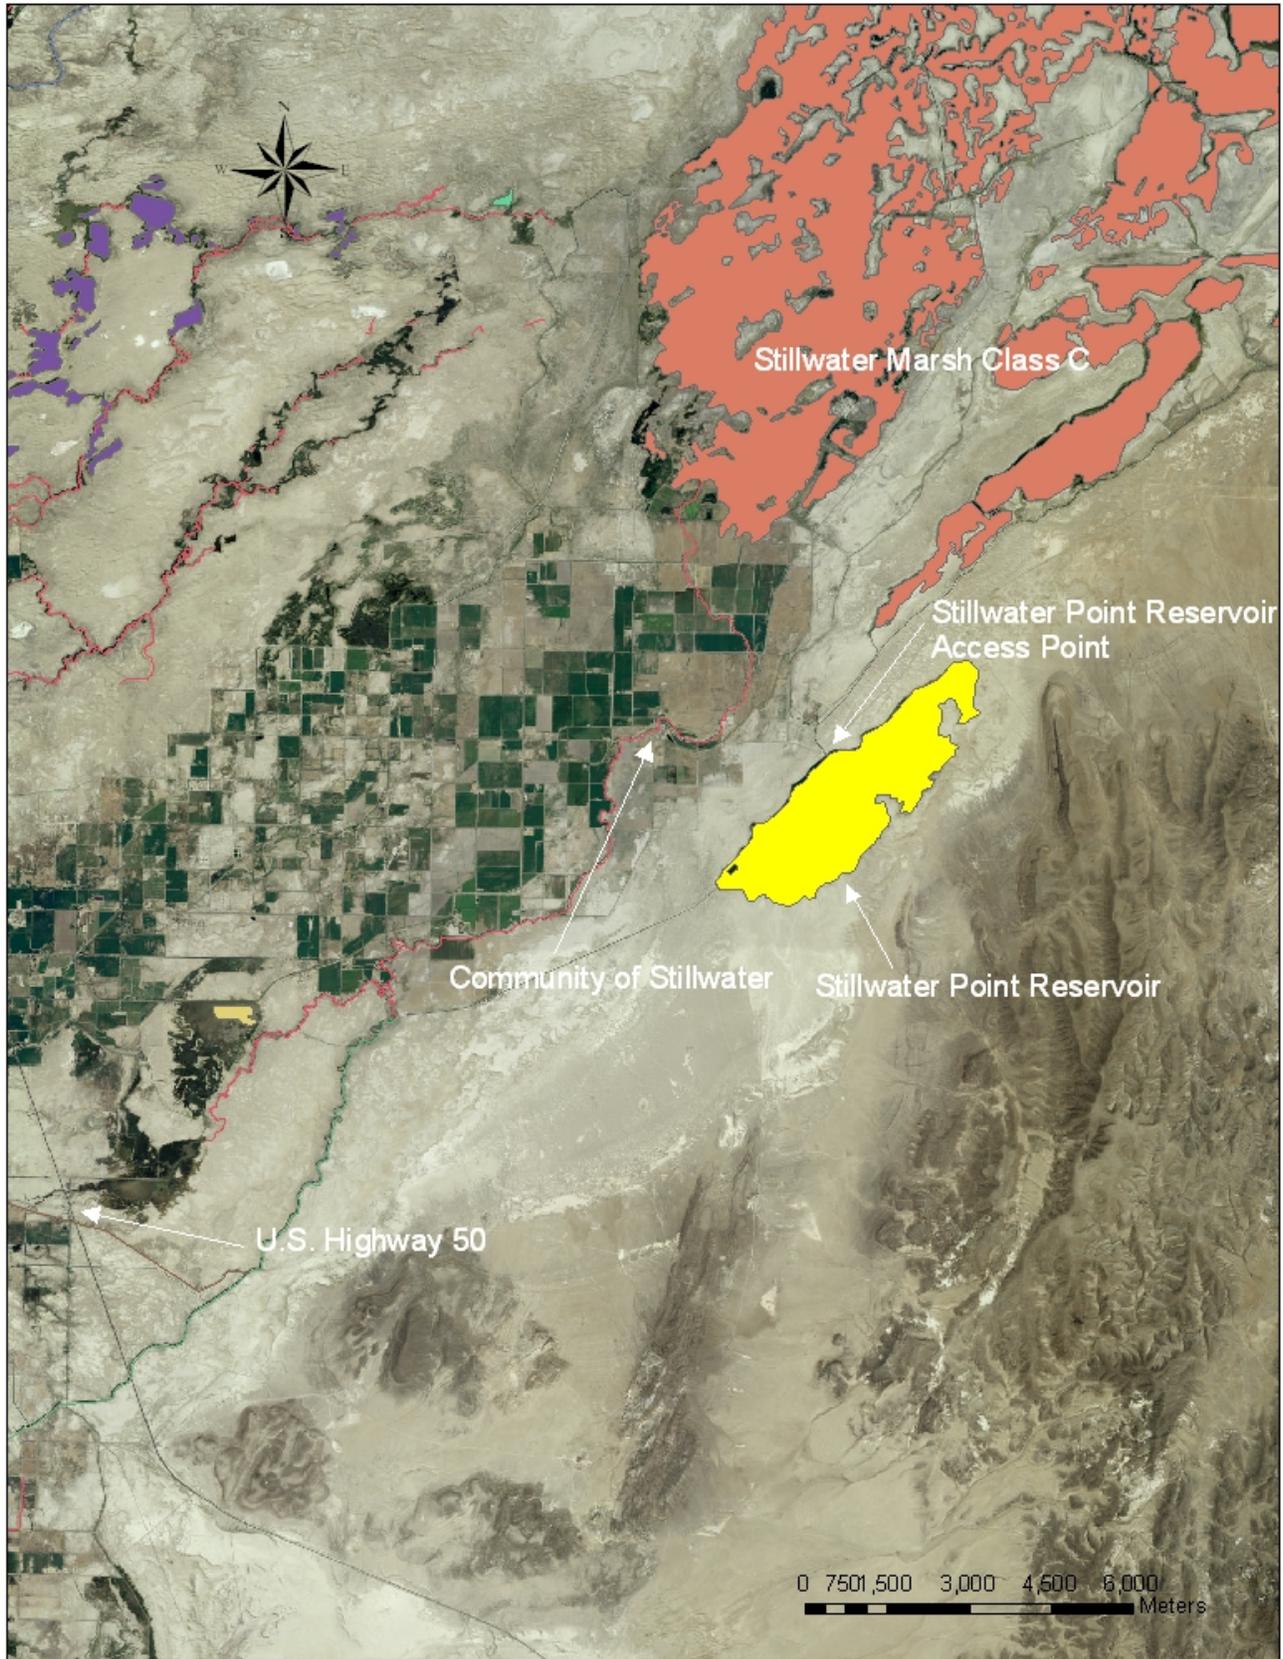

Lagomarsino Creek near old access to landfill looking downstream.

Lagomarsino Creek above Lockwood looking downstream

Stillwater Marsh Location Map

10/19/06

Stillwater Marsh looking south

Stillwater Marsh looking southeast

06/21/07

Stillwater Marsh looking south

Stillwater Marsh looking southeast

02/14/08

Stillwater Marsh looking south

Stillwater Mash looking southeast

Lower Steamboat Creek Location Map

07/25/07

Steamboat Creek at Geiger Grade looking upstream

Steamboat Creek at Geiger Grade looking downstream

Steamboat Creek at Whites Creek looking upstream

Steamboat Creek at Whites Creek looking downstream
