NOTICE OF PROPOSED ACTION

Web posting 3/23/10

The Administrator, Division of Environmental Protection, Department of Conservation and Natural Resources, Carson City, Nevada is issuing the following notice of proposed action under the authority of the Nevada Revised Statutes and the Safe Drinking Water Act.

The Administrator has received an application for an Underground Injection Control (UIC) permit, which has been drafted for public comment. Permit **UNEV2010202** has been applied for by the following applicant:

CV Propco LLC
1505 S. Pavilion Center Drive
Las Vegas, Nevada 89135

The applicant has submitted an application for a UIC permit associated with the former Regency Dry Cleaners, 3564 W Naples Dr, Las Vegas NV. The application is in response to the release of perchloroethylene from this facility, and need for injection of groundwater following extraction and treatment into an infiltration gallery on an adjacent parcel.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes and the Safe Drinking Water Act, and implementing regulations, the Administrator proposes to issue this permit as stated above.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance or to request a hearing pursuant to Nevada Administrative Code, Water Pollution Control, should submit their comments or request in writing by April 26, 2010 either in person or by mail to:

Attn: Russ Land
Division of Environmental Protection
Bureau of Water Pollution Control
901 S. Stewart Street, Ste. 4001
Carson City, NV 89701

All comments or objections received within thirty days of newspaper publication will be considered in the formulation of final determinations regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty days prior to the hearing date.

The application, draft permit, comments received, and other information are on file and may be copied at the office of the Division of Environmental Protection, or copies may be obtained by writing to the above address or by calling Russ Land of the Bureau of Water Pollution Control at (775) 687-9428.

Please bring the foregoing notice to the attention of all persons whom you know would be interested in this matter.
