Notice of Intent  
by the  
State of Nevada

The Administrator of the Division of Environmental Protection gives notice that an application for a Reclamation Permit for an exploration project for the Yerington Mine Exploration project. The Yerington Mine Exploration Project has been properly filed with the Division of Environmental Protection in Carson City. The applicant for Permit # 0321 is:

Singatse Peak Services, LLC  
517 West Bridge Street, Suite A  
Yerington, NV 89447

This project, will be located within Lyon County, and is in portion(s) of Sections 8, 9, 16, 17, 20 and 21, Township 13 North, Range 25 East, M.D.B. & M., approximately one mile from the community of Yerington, Nevada. The proposed exploration activities include approximately 16 acres of exploration related surface disturbance that is located within the footprint of the former Yerington Mine project operated by Anaconda Copper Company from 1952 through 1978. The proposed exploration activities include 40 boreholes averaging approximately 700-feet in depth, and maximum depths of 3,000-feet below surface elevations.

The Administrator is constrained to issue the reclamation permit or to deny the application. The Administrator has made the tentative decision to issue the reclamation permit.

Persons wishing to submit written comments or information on the draft of the permit must do so in writing no later than by 5 PM on 26 October, 2011. Any person who is directly affected by the application for a permit may request, in writing, a public hearing on the application for a permit. The request must state the reason for the request and the issues to be raised at the hearing. This request must be submitted, in writing, no later than by 5 PM on 26 October, 2011.
