Colleen Cripps, Ph.D., Administrator

## NOTICE OF PROPOSED ACTION

### Web posting 4/8/11

The Administrator, Division of Environmental Protection, Department of Conservation and Natural Resources, Carson City, Nevada is issuing the following notice of proposed action under the authority of the Nevada Revised Statutes and the Safe Drinking Water Act.

The Administrator has received a renewal application for an Underground Injection Control (UIC) permit, which has been drafted for public comment. Permit UNEV2005210 has been applied for by the following applicant:

Kinder Morgan Energy Partners, L.P.  
370 Van Gordon Street  
Lakewood, Colorado 80228-8304

The applicant has submitted a renewal application for an UIC permit associated with the on and off-Site remediation of Kinder Morgan Energy Partners (Las Vegas Terminal), 5049 North Sloan Lane, Las Vegas, Nevada. The applicant has conducted past remediation under this permit for past releases of petroleum hydrocarbons, and will be conducting a pilot test this year to modify their remediation efforts. This permit will be renewed and modified to consolidate this UIC permit and GU07RL-51002 to cover the pilot and future full-scale activities.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes and the Safe Drinking Water Act, and implementing regulations, the Administrator proposes to issue this permit as stated above.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance or to request a hearing pursuant to Nevada Administrative Code, Water Pollution Control, should submit their comments or request in writing by May 12, 2011 either in person or by mail to:

Attn: Russ Land  
Division of Environmental Protection  
Bureau of Water Pollution Control  
901 S. Stewart Street, Ste. 4001  
Carson City, NV 89701

All comments or objections received within thirty days of newspaper publication will be considered in the formulation of final determinations regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty days prior to the hearing date.

The application, draft permit, comments received, and other information are on file and may be copied at the office of the Division of Environmental Protection, or copies may be obtained by writing to the above address or by calling Russ Land of the Bureau of Water Pollution Control at (775) 687-9428.

Please bring the foregoing notice to the attention of all persons whom you know would be interested in this matter.
