NOTICE OF PROPOSED ACTION

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes. The Administrator has received a complete application for renewal of a water pollution control discharge permit (NEV92024) from the following applicant:

**Pacific Life

The Permittee has applied for renewal of the permit to apply tertiary treated, denitrified and disinfected effluent for irrigation (reuse) on The Legacy Golf Club golf course, located at 130 Par Excellence Drive in Henderson, Clark County, Nevada. The effluent is treated and supplied by the City of Henderson's Kurt R. Segler Water Reclamation Facility (permit NEV80003). The reuse is via spray and drip irrigation on turf grass and other plant materials and is conducted in accordance with conditions specified in the approved Effluent Management Plan required by the Nevada Division of Environmental Protection and the permit. The proposed permit renewal is for a period of five (5) years.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes and implementing regulations, the Administrator proposes to renew the permit to discharge, subject to certain effluent limitations and special conditions.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit reissuance, or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request in writing by December 10, 2012, within thirty (30) days of newspaper publication, either in person, by email or FAX, or by mail to:

The request must be filed within the comment period and must indicate the interest of the person filing the request and the reasons why a hearing is warranted.

All comments or objections received within thirty (30) days of publication of the notice will be considered in the formulation of final determinations regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty (30) days prior to the hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the

tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time.
