NOTICE OF PROPOSED ACTION

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes. The Administrator has received a complete application for the renewal of groundwater discharge permit NS2001501 from the following applicant:

**Dayton Valley Golf Course, LLC.
101 Palmer Drive
Dayton, Lyon County, NV 89403**

The Permittee uses denitrified and disinfected wastewater effluent for irrigation of turf and landscaped areas (approximately 310 acres) at the Dayton Valley Golf Course and Legado Planned Unit Development. The effluent is treated and supplied by the Rolling A Water Reclamation Facility (permit NS2000500). The reuse is via spray and drip irrigation on turf grass and plants and is conducted in accordance with conditions specified in the approved effluent management plan required by the Nevada Division of Environmental Protection. The proposed permit renewal is for a period of five (5) years.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes and implementing regulations, the Administrator proposes to renew the permit to discharge, subject to certain effluent limitations and special conditions.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance, or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request in writing within thirty (30) days of the date of newspaper publication, either in person or by mail, email, or fax, to the following address by **5:00 P.M., December 21, 2012**:

**Division of Environmental Protection
Bureau of Water Pollution Control
901 S. Stewart Street, Suite 4001
Carson City, Nevada 89701**

The request must be filed within the comment period and must indicate the interest of the person filing the request and the reasons why a hearing is warranted. All comments or objections received within the thirty (30) day period will be considered in the formulation of final determinations regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. A public notice of such hearing will be issued not less than thirty (30) days prior to the hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time.

The application, proposed permit, comments received, and other information are on file and may be copied or copies may be obtained by writing to the above address or by contacting Peter Lassaline, Bureau of Water Pollution Control at (775) 687-9569, or at plassaline@ndep.nv.gov.
