NOTICE OF PROPOSED ACTION

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action in accordance with the Clean Water Act and Nevada Revised Statutes (NRS). The Administrator has received a complete application for a new NPDES Permit NV0024180 for discharge from:

**Clark County Water Reclamation District
5857 East Flamingo Road

The Applicant is proposing to decommission an existing lift station and replace it with a gravity system, located adjacent to the Flamingo Wash between Maryland Parkway and Algonquin Drive, in Las Vegas, Nevada. Shallow groundwater in the area will be removed from 2 pits, the jacking pit and the receiving pit, via pumping wells and a piping system. Discharge will be directed, after settling in tanks, to the Flamingo Wash. The maximum daily discharge is limited to 9.0 million gallons per day (MGD). Based on a review of the NPDES permit application, the Division has made the tentative determination to issue the NPDES permit for a period of five (5) years.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance, or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request, in writing, within thirty (30) days of the date of newspaper publication, hand-delivered or postmarked no later than **5:00 P.M. on July 9, 2012**, either in person or by mail to:

Carson City, NV 89701**

Comments and/or hearing requests received via facsimile or e-mail before **5:00 P.M. July 9, 2012** will also be accepted. All requests for hearings must indicate the interest of the person filing the request and the reason(s) why a hearing is warranted. All comments or objections received within the thirty (30) day comment period will be considered in the formulation of final determinations regarding the application. If written comments indicate a significant degree of public interest in the proposed permit, the Administrator shall hold a public hearing. The public notice of such hearings will be issued not less than thirty (30) days prior to the public hearing date.

If no hearing is held and the determinations of the Administrator are substantially changed from the tentative determinations, the Administrator will give public notice of the revised determinations. Additional comments and objections will be considered at that time.
